VALENTINES DAY

Valentine's Day is the perfect opportunity for you to explain to your child how our mail service works. An envelop will be sent home with your child. **Together, with your child, affix a stamp to the envelope and write your family address on it (while your child is watching)** (*The Smith Family, 18 Park Rd, Watchung, NJ 07069*). Send this to school the first week of February. Your child will make a delightful Valentine Card in class, put it in the envelope and then walk to the mailbox with his/her class and mail it. What fun when the mailman delivers it to your house!
