

The Giving Nest Preschool October Newsletter

We are excited to send our first monthly newsletter and class calendars. Please be sure to read them as they have VERY Important monthly information.

Giving Nest Sing

Sing is a special and fun time for the directors, teachers, and students at the Giving Nest. Each morning the classes meet in the center hall to sing the monthly songs and participate in fun and interactive lessons from the Mrs. Tara.

During Sing in October, we will be focusing on Halloween and Fire Safety! Mrs. Tara will show the children, through lessons and stories, the steps to take if they smell smoke or see a fire. We have fun stories and skits we perform on fire safety, calling 911, and planning a meeting place.

In Service Day – No School

Please do not forget there is no school on Monday, October 12th

Monday, October 12th is reserved for an in-service training day for all our staff. We try to follow the public-school schedules in our area, and many of the schools are also closed for an in-service day.

Halloween Celebrations and Parades

As you check your child's calendar this month you will notice that our Halloween Celebrations are not on Friday, October 30th the day before Halloween Day. In the past our parents experienced conflicts with attending our Halloween festivities and viewing events of siblings in the grammar schools. We've scheduled it this way for several years and it is very successful. Please pay close attention to your child's calendar for times and dates.

Parents are invited to come to enjoy the children dressed in costumes. The Ducklings will have a parade outside, weather permitting or in the center hall if it is raining. The Bluebirds and Cardinals will have a fashion show on the stage. Children should come to school dressed in costume on the day of the fashion show or parade. If the costume is uncomfortable, please have comfortable clothes underneath, or send clothes we can change them in.

The children will also have a small Halloween celebration in their classroom. We will be sending a Sign Up Genius link the week of October 12th that will send you to a Class Party Sign Up Sheet!

Back to School Night

This month all parents are invited and encouraged to come and learn what your child does all day at The Giving Nest. This special evening will be held either Wednesday October 14th or Thursday October 15th and begin promptly at 6:00PM and lasts about an hour. Please check class calendars for your child's date. It is for adults only so perhaps you can get a friend, relative or babysitter to watch the children at home. The directors will give a short presentation regarding important information you need to know. Next you will have the opportunity to visit your child's classroom. You will see your child's work, write a short note to your child, try to pick out which art project is your child's. In the classroom you will also listen to the varied activities and special skills planned for your child throughout the year.

We request that you do not use this evening to ask questions regarding your individual child with the teacher or assistant. Conferences are scheduled in January for this purpose. We do however send out "fall updates" in November with individualized information on how your child is doing. If you have any concerns that need to be addressed before, please write a note to the teacher and she will call you within the week. If you have any questions about Back to School Night, please call the office or stop by. Check your individual class calendars or our online monthly calendar for the day of your back-to-school night.

Please Get Your Flu Shot

It's a State Mandate Influenza Vaccine: Children 6 months through 59 months attending any childcare or preschool facility must annually receive at least one dose of influenza vaccine between September 1 & December 31 each year. It is very important you comply with this state mandate. The state sends a nurse to the preschools to check each child's medical paperwork and make certain all shots have been administered. If shots are not up to date and/or documentation not provided, the child may have to leave the school. The state nurse checks all immunizations. If you have any questions, please call the school and ask for Mrs. Kathleen
