A Note from your Teacher

It has been a great start to the year! Everyone has adjusted nicely and seems to be having fun; they are a wonderful group of kids. I hope your child has told you about the Moving Alphabet and other fun poems that we practice daily. This month, we are celebrating the harvest time with a Halloween Parade. Please send your child already dressed in their costume. We will change into normal clothes afterward, so please send them with a bag or have them wear clothes underneath the costumes.
