## *Class Picnics*

Every year we celebrate the end of the school year with an in-school class picnic. The Giving Nest treats the children to watermelon and ice pops, and the students eat lunch outside on the picnic tables with their classmates. Please be sure to remember sunscreen and bug spray on these days!!

## *A Great Big Thank You!*

The Giving Nest staff thanks you for a wonderful school year! We could not have done this without your support. Your children were delightful and always put smiles on our faces. Whether it was during morning circle time, in the classroom doing daily work or simply on the playground. We will miss those of you who are moving on to Kindergarten in September. Best of luck to all of you and please come back and visit. Besides our students, we will miss the Moms and Dads and Grandparents. You are all so friendly, kind, and happy and you were always willing to offer help of any kind. It was a pleasure spending this year with you. Even though we say goodbye know the Giving Nest always has a home for you. Thank you for the opportunity for us to greet you each day, get to know each of your children and to watch them grow and flourish into the children they have become today.
