June Sight Words

Assessing the children on all the sight words and word families they learned throughout the year!

Here's what we'll be learning this month:

Reading-

- We will continue reading leveled readers and comprehension questions for each story

Writers Workshop-

- Opinion Writing

Math-

- We will continue with subtraction
- Money

Science-

- All about the Ocean

A Note from Mrs. McGrath, Mrs. B and Mrs. Amy:

As we approach the end of a great school year, we would like to take this opportunity to thank you for allowing us the privilege to teach your wonderful children. We are so pleased with their academic progress but even more proud of how they have shown kindness and consideration to each other throughout the school year. Have a wonderful summer and best of luck next year!
