Groundhog Song

Here's a little groundhog, furry and brown.
He's coming up to look around.
If he sees his shadow, down he'll go.
Then six more weeks of winter OH NO!

I Love You

I love you, you love me. We're a happy family.
With a great, big hug and a kiss from me to you!
Won't you say you love me too!
I love you, you love me. We're best friends as friends should be.
With a great, big hug and a kiss from me to you
Won't you say you love me too!

LOVE

Love is something when you give it away, you give it away, you give it away.
Love is something when you give it away, you end up having more.
And it's just like a magic penny, hold it tight and you won't have any.
Lend it, spend it, you'll have so many.
They'll roll all over the floor!
Love is something when you give it away, you give it away, you give it away.
Love is something when you give it away, you end up having more!

Valentines are Made to Share

Valentines are made to share, made to share, made to share.
Valentines are made to share, with my friends at school.
I made you a valentine, valentine, valentine.
I made you a valentine that says, "I love you!"

Valentine Song

Will you be my valentine, valentine, valentine?

Will you be my valentine, you're my friend!

I will be your valentine, valentine, valentine!

I will be your valentine, you're my friend!
