- Coin: Recognizing and counting

Science/ Social Studies:

- Solar System
- Groundhogs Day
- Valentines Day
- Presidents Day
- 100th Dat of School

Letters

G, W, Y, & V

A Note from your Teacher

Progress reports will be coming home at the end of the month. I am so pleased with how much the children are learning this year! Our Solar System is a big deal this month. They will be creating a special book about it. We will also be having dress-up days this month! (Before the Super Bowl, Valentine's Day, and for the 100th day of school) We also have some fun home projects this month like Valentines for classmates and a depiction of 100 objects.

More info about this projects will be coming later on.
