

The Giving Nest Preschool - Warren

April

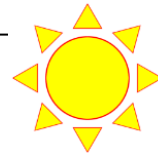

Spring Break~ School closed:
Friday 4/3 through Sunday
4/12/26
Welcome back on
Monday, 4/13/26

Spring is in the air at The Giving Nest, and we look forward to many outdoor visits to the playground to run and play! We will surely be looking for all the signs of spring after the cold and snowy winter we've had!

This month:

The teachers will introduce our April songs and be very silly while we test our coordination skills with "A Tooty Ta" to celebrate April "fools day". After returning from Spring Break, we'll talk about Earth Day and how important it is to keep our earth clean. We will discuss what "litter" is. Miss Angela and the teachers will pretend to be at a picnic in a park and do a silly skit showing what we shouldn't do; throwing our garbage all over the grass, and then what we should do; throwing our garbage in the trash. In celebration of spring: to soft music, the children will pretend to be seeds and then as the music gets louder, they will blossom into flowers and dance around like a flower in the breeze. We will read "In the Nest" by Anna Milbourne. This beautiful picture book tells the story of a mommy bird making a nest for her baby birds.

Throughout the month of March we learned that "Manners Matter". Using skits, songs, and books, we learned what it means to have and practice good manners. It has warmed my heart to hear tiny voices say, "excuse me" and "please and thank you" to friends and teachers. I have had my "listening ears" on and whenever I hear a child using good manners I cheer and clap! I hope you have noticed your children practicing at home also!

APRIL SONGS:

Wet Ground

Wet ground, warm sun,
My life as a tree has just begun
I'm so sure I have no doubt,
That my shell has cracked
And I am a sprout.
I'm growing up, I'm growing out,
Growing up and growing out.
Yippee Hurray I am a Sprout,
Yippee Hurray I am a Sprout,
Yippee Hurray -
I am a Sprout!

Tiny Caterpillar

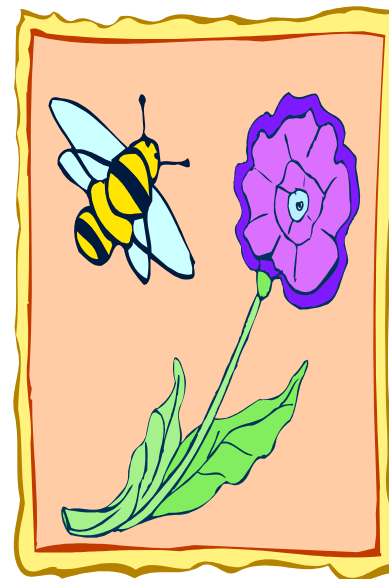

Tiny caterpillar, climbing up at tree
He wiggles long, He wiggles short,
He wiggled straight to me.
I put him in a covered box,
"Don't go away," I cried.
But, when I opened up the box,
It was a butterfly.

I could never be one, even if I tried.
For only a caterpillar,
Can turn into a butterfly!

If all the Raindrops

If all the raindrops were lemon drops & gumdrops,
Oh, what a rain that would be!
Standing outside, with my mouth open wide
Ah, ah, ah, ah, ah, ah ah ah ah ah
If all the raindrops were lemon drops & gumdrops,
Oh what a rain that would be!

If all the snowflakes were candy bars & milkshakes,
Oh what a snow that would be!
Standing outside, with my mouth open wide
Ah, ah, ah, ah, ah, ah, ah, ah, ah, ah
If all the the snowflakes were candy bars & milkshakes,
Oh what a snow that would be!

Gardening Song:

First you take a shovel, a rake and
then a hoe

Plant a little garden, plant seeds all
in a row

Water them and weed them
through all the summer heat

And then you'll have some flowers
or some vegetables to eat!

Five little Ducks...

Five little ducks went out one day,
Over the hills and far away.
Mother duck said "quack, quack, quack quack"
And only 4 little ducks came back...
(count down 3,2,1,no little ducks)
Sad Mother Duck went out one day,
Over the hills and far away.
Mother duck said.. "quack, quack, quack, quack"
and all the 5 little ducks came back!

I'm a Little Chickie

(Sung To: I'm a Little Teapot)

I'm a little chickie, (Crouch down)
Ready to hatch
Pecking at my shell (make a pecking
motion)
I Scratch, scratch, scratch (Make
cat like scratching motion)
When I crack it open, Out I'll jump
(jump up!)
and Fluff my feathers, chirp, chirp,
chirp (pretend to ruffle feathers)

Plant a Seed

Plant a seed, plant a seed
Help it grow, help it grow.
Cover it with soil, cover it with soil
Watch it grow, watch it grow!

Plant a seed, plant a seed
Help it grow, help it grow.
Give it lots of sunshine, give it lots of sunshine
Watch it grow, watch it grow!

Plant a seed, plant a seed
Help it grow, help it grow.
Give it lots of water, give it lots of water,
Watch it grow, watch it grow!

Plant a seed, plant a seed
Help it grow, help it grow.
Give it lots of air, give it lots of air.
