

THE GIVING NEST PRESCHOOL AND KINDERGARTEN DECEMBER NEWSLETTER

Holiday Celebrations...

What a fun and exciting time at the Giving Nest! It is delightful to be with the children to share the spirit of the season during the holidays. Children love celebrating the holidays, during circle time the children will hear about Christmas and Hanukkah through stories and songs. We will be learning many holiday songs as we always do each December. The children will share the holiday songs they learn with you during the Holiday Winter Sing. Families are invited to join us in the Large Meeting Room to hear the children sing our favorite holiday songs. Make sure you check your child's class calendar for his/her performance date/time. The children will also celebrate the holidays by enjoying a holiday class party the week December 15th. Sign-ups will go out the week of the first week of December if you would like to sign up to help make the class parties more festive, please be sure to open the email.

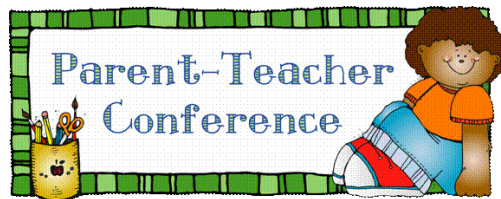

The Giving Trees have arrived!

December at The Giving Nest makes its debut with our "Giving Trees" located in the hallway. When the trees first appear, they are awaiting decorations. Soon child-made decorations will adorn the trees. During Morning Sing time Mrs. Amy will explain the purpose of our Giving Trees - to help others. First, we ask the children 'where do we get our food from, where do we buy our clothes and house items'. The Supermarket and the store are enthusiastically called out (Target and Shoprite). We then

discuss how lucky we are that we can go to any store to get what we need. Our Mommy's and Daddy's are able to bring us home whatever we like. We then begin to wonder if everyone is able to go to any store they want to? We explain that not everyone is as fortunate as we may be. We explain that some families get their food and items from their farms, but farms need animals. Usually, one child wonders how we can help others that cannot get what they need. Another may ask if there is anything we could do to help other families. We then ask, "Do you want to help these children and families?" Hopefully one student will suggest, "Let's buy food and toys for them." we exclaim, "What a great idea! But we need money to buy these items." Next question is "How does one get money?" We are looking for the response, "People work to make money." After clarifying that they are too young to go out and get a job, we explore some of the jobs the children can do at home this week (making their bed, doing the dishes, cleaning up toys). We suggest to the children, "Perhaps on this special occasion you could ask your parents to pay you for doing a special chore at home and you can donate this so we can send these needy families a cow, chickens, a pig, or a sheep. The children then share with the class what chore they want to do at home. Please speak with your child about what chore they can do at home to help our family in need. Please sit with them and complete the chore envelope and return it to school no later than Tuesday December 2nd.

Parent Teacher Conferences:

When we return from the holiday break, the Chickadee, Duckling, Bluebird and Cardinal parents will receive an email to sign up for Parent/Teacher Conferences scheduled in mid-January. This is an opportunity for you to sit with your child's teacher to discuss his/her progress report and answer any questions you may have. Progress Reports will be sent home the week of January 12th, conferences will be scheduled starting January 14. Specifics on dates and times will be included in the email. Conferences are 10 minutes long. It is very important to be on time for your conference as we do schedule them back-to-back. Please understand, if you are late, your scheduled conference will still end at the scheduled time.

Classes A2+/A3+/A5+ - 10:30am to 2:45pm

Class C - 10:30am to 12:45pm

All Other Classes:

Full Day Classes 10:30am to 2:45pm

***There will be no Early Care on delayed opening days.**

Reminder! Influenza vaccine: Children 6 months through 59 months attending any childcare or preschool facility must annually receive at least one dose of influenza vaccine between September 1 & December 31 each year. It is very important you comply with this state mandate. The state sends a nurse to the preschools to check each child's medical paperwork and ascertain all shots have been administered. If shots are not up to date the child may have to leave the school. The nurse checks all immunizations. If you have any questions or concerns, please call the school to discuss them with Mrs. Amy. Please send in all Influenza records no later than December 31st. Thank you!

H O L I D A Y SHOP

Kids Holiday Shoppe!

The Holiday Shoppe is a fun event where the children are given the opportunity to "shop" for special gifts for their loved ones. The second week of December the Large Meeting Room will be transformed into a gift boutique. This is a special shop; it is not gifts for the children, but gifts the children can buy for mom, dad, grandparents, aunts, uncles etc., each item is only \$3.00. It is a magical time at the Giving Nest when the Holiday Shoppe opens its doors. The children become little adults shopping specialty stores; clutching the money in their hands as they examine the items. After much thought and deliberation each child excitedly chooses the perfect gift for a special loved one. The children count out three dollars for the shopkeepers. She takes the money and gift wraps the special surprise. What will your child pick for you?

If you would like for your child to shop, please fill out the form we sent home the week of November 17th and return it to the Giving Nest along with your payment. We have volunteers who will be purchasing the gift items using the forms received so that we know how many gifts and what type of gifts we need on hand. We will ask for volunteers for each class to come in to help as personal shoppers and various volunteers for each 'store'. Rest assured we will be sending plenty of pictures of this event.

Playground Fun!

The children will continue to visit the playground throughout the winter season weather and temperature permitting. Please dress your children in appropriate clothing for the colder weather. We prefer mittens to gloves if possible. It takes a long time getting those little fingers into the finger slots. We will keep the children in only if it is raining, sleeting or the temperature drops below 32 degrees Fahrenheit. Please help us and label all their coats, hats, mittens etc.

This is also a good time to please check that the extra clothes you have packed in your child's backpack are also weather appropriate. Thank you!

Looking Ahead...
