

THE GIVING NEST PRESCHOOL

~WARREN~

January 2024 Newsletter

The Giving Nest Staff and I would like to take this opportunity to wish all of you a very happy and healthy New Year! Hoping this year's holiday season brought you memorable moments with your children and families!

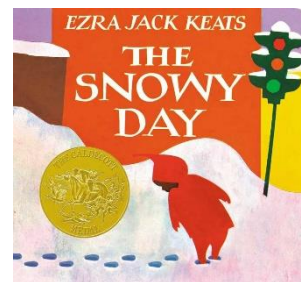

In Sing this month: When we return to school, we'll explain the meaning of the "New Year" and say goodbye to 2023 and give 2024 a big warm welcome! We will learn and sing all our new January songs. In celebration of Martin Luther King Jr. our focus will be on sharing, being kind, and we will continue to talk about ways to stay healthy in the new year. Caring and sharing are common terms at The Giving Nest, however, we will read the book "Germs Are Not for Sharing" and once again go over the proper way to cover our mouth when we sneeze or cough.

While preparing to return from break please take a moment to re-stock your child's backpack with diapers / wipes (if needed) a weather appropriate change of clothes, their class folder and a **labeled** (both lid and base) reusable water bottle.

Please remember that if the temperature is above 32 degrees our classes do go outside. Our children love to get the fresh air, so please be sure they have a **labeled** coat, hat, and gloves or mittens to keep them warm.

January Book of the Month:

VERY IMPORTANT PLEASE READ!

REGISTRATION & IN HOUSE STATUS

Your confirmed in-house choices have been submitted for next year to the other Giving Nest locations. **On January 22nd you will receive an email from *the school you chose* which will include the attachments for pre-registration.**

How it works: In the email there will be 2 attachments:

1. The Class Offerings from the school you chose for next year.
2. The class offerings for this school (Warren) in case you have a younger child who will be age eligible. NOTE: You may pre-register younger siblings at this time also!

Please read the email closely and follow the return instructions. **YOU MUST PUT THE PROPER INFORMATION IN THE SUBJECT LINE AS INSTRUCTED IN THE EMAIL** to ensure your choices are received correctly.

2024 New Year Resolutions

The arrival of the new year will be celebrated throughout the school! In addition, each class will be challenged with a new skill to accomplish in the new year.

The Hummingbirds have been practicing throwing away their trash when finished eating snack and lunch. This includes taking any paper or empty disposable containers to the garbage then returning to their seats!

The Chickadees have been practicing how to enter the classroom and unpack their own backpacks. This includes hanging their jackets and backpack in their cubby and unpacking their water bottle and placing it on their cubby shelf!

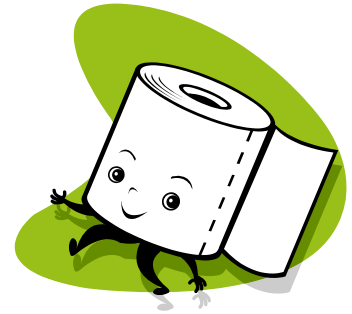

The teachers have certificates to present to the children when they have successfully mastered the skill. Look for this in your child's backpack.

Please note these are important skills to develop at your child's age. If he or she is having trouble perhaps you can practice his/her classes' selected skill at home. Several of the children in each age group may have already mastered these skills, which is great. They will receive a certificate once they demonstrate the skill for their teacher.

Helpful tips for a healthy toddler this winter...

1. Wash hands frequently for at least 20 seconds.
2. Give child ample rest and recovery time after illness.
3. Discard & replace toothbrushes after a cold or illness.
4. Consistent bedtimes and naps.
5. "Cover our mouth when we cough or sneeze".
6. Flu vaccine

If your child practiced potty training over the holiday break remember to tell their teacher so we can assist with their progress and cheer them on! Please remember to use pullups that detach at the sides for a more efficient changing process. Thank you!

In Case of Snowy Weather...

Please remember to watch News 12NJ, or visit www.news12.com and check your email for snow day or delayed opening announcements.

Our decisions are made based on the local police department and public schools. In some cases, we may decide to open. Where this is helpful to the working parent; if at any time you feel that it is best for your family to remain at home, we absolutely want you to do so!

In most cases, delayed opening classes will begin one hour later:

Chickadees- 10:15am

Hummingbirds- 10:00am

Chore Money from your hard working, kind children!

A special THANK YOU to all our wonderful, kind children for doing a chore to earn money for our Giving Tree. We raised \$416.00 at our location! We proudly handed the money over to the Director of the North Plainfield Giving Nest to donate toward this year's contribution to World Vision.

THANK YOU to those who participated!

JANUARY SONGS

Cheer the Year

(Row Your Boat)

Cheer, cheer the year
A new one's just begun
Celebrate with all your friends,
Let's go and have some fun
Clap, clap. Clap your hands
A brand new year is here.
Learning, laughing, singing. Clapping
Through another year!

It's a New Year

(Frere Jacques)

It's a new year, It's a new year
January first, January first
Out with the old,
In with the new.
Happy new year! Happy new year!
Horns are tooting,
Horns are tooting,
January first, January first
Throw some confetti
Throw some confetti
Happy new year! Happy new year!

Martin Luther King

(He's got the whole world in his hands)

He was a great man, an American
He was a great man, an American
He was a great man, an American
And his name was Martin Luther King

- He dreamed of freedom for everyone
- He believed that people could all be friends
- He won the peace prize for all his work
- He wanted peace for the whole wide world

Chilly Winter!

(Twinkle, Twinkle Little Star)

Wintertime brings lots of snow.
Chilly winds just blow and blow.
Snowflakes swirling through the air,
Twirling, whirling here and there.
Wintertime brings lots of snow.
Chilly winds just blow and blow.

Cover Your Mouth (Hickory Dickory, Dock)

Cover your mouth when you cough,
Cover your mouth when you sneeze,
If you cough or if you sneeze
Cover your mouth if you please;
ACHOO!
