Note: As we head into spring break, I want to wish all the families safe travels, special time together and a restful break. This is an important opportunity for everyone to pause, reset and recharge before the final stretch of the school year. Spring has sprung and our Kindergarteners are blooming into readers. I am so proud of what they have accomplished so far. As always Kindergarten is a busy place and will be for the rest of the year. This month children will be making a pottery project and the same will be ready to display on May 4th and 5th.
