- Continuing Graphing
- Comparing Numbers (more/less)
- Sort objects by color, shape, size

Science/ Social Studies:

- Election Day
- The 1st Thanksgiving
- Fall and Leaves changing colors

Letters

R, P, & S

A Note from your Teacher

I am so proud of how much the children have learned already! We are doing well in identifying beginning sounds in words, and will now focus on ending sounds. Along with reading simple 2 and 3-letter words, they are learning that they can write their own meaningful sentences. This month we will celebrate autumn. Look for Report Cards to come home this month, as well as a posted sign- up sheet for Parent Teacher conferences.
