#### "The Tree"

The teacher will read an interactive flannel board story "The Tree" which is about a magical tree who decorates itself with berries, string, nuts, and bells. Animals from the forest come and take the decorations off the tree and use them as food, gifts, and decorations. Showing that it's a lovely time of the year where treats are shared, and friends are near.

Below are some of the Small Group Activities Your Child will be enjoying for the Month of DECEMBER...

## DECEMBER HOLIDAY GIFTS!
