

WHAT'S "WHISTLING" IN THE CARDINAL CLASS FOR JANUARY 2023

January Science Experiments

1. Experiment: "Water Wonder"

What is your Hypothesis? What will happen to the colored water in a warm bottle when it is placed on top of a bottle of cold water?

Answer: The colors will separate.

2. Experiment: "Good Clean Fun"

What is your Hypothesis? What will happen to a paper boat floating on a plate of water when liquid detergent is dropped into its stern?

Answer: The boat will sail very fast across the water because the detergent breaks the surface tension of the water.

Meet Letters Ll, Uu, Vv and Ww

The children will:

- Meet Looney Lion, Ugboo, and Vam Vampire
- "Read" our Ll, Uu, & Vv rhyme and bring it home to "Read" to you!
- Print each letter in their individual handwriting books.
- Make pictures of things that start with the letters Ll, Uu, and Vv in their picture dictionary books.

Learning Numbers: 11, 12, 13 & 14

Recognizing Addresses

The children will now look for their addresses on the check-in board every morning.

Big Word of the Week

Lethargic: Sluggish, dull, or lazy

Unanimous: When two or more people are fully in agreement

Vivacious: Lively and animated

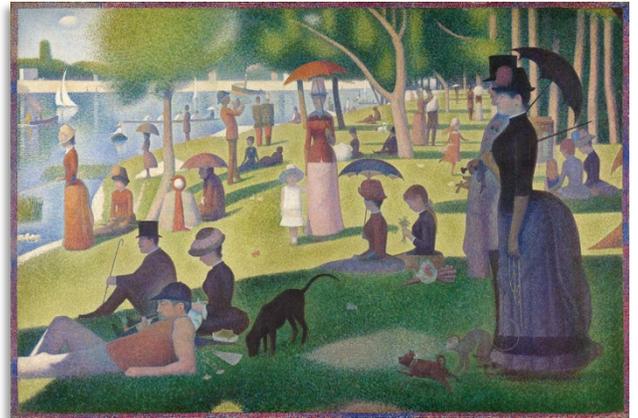

Artist of the Month: **Georges Seurat**

Seurat is considered one of the most important post-Impressionist painters. He moved away from the apparent spontaneity and rapidity of Impressionism and developed a structured, more monumental art to depict modern urban life.

Pointillism is a technique of painting in which small, distinct dots of color are applied in patterns to form an image.

Georges Seurat and Paul Signac developed the technique in 1886, branching from Impressionism.

Martin Luther King Jr.

The children will learn about **Martin Luther King Jr.** and talk about the meaning of peace.

Slipper and Pajama Day

Please check your child's individual class calendar to see when he or she is scheduled to wear slippers and pajamas to school. They will discuss being cozy and play different games using their slippers!
